**The Titanic Tragedy** by Arnot P McIntee  
She was built to fulfill a dream, but became the greatest nightmare in marine history. The year of her demise was 1912, but still her name excites those interested in her short illustrious career. On the 10th of April, 1912, she left Southampton. Those who had designed and built her were happy when the media named her the "Unsinkable Ship." Sadly, she would prove to be misnamed in less than five days. Stories from the "unsinkable" ship with gospel message. M&M Publishers. 2 CDs.

## One Day at a Time by William MacDonald

How you live each day makes all the difference. One way to ensure that our days on earth count for God is to fill our minds and hearts with the "engrafted Word" that we might grow by it. And there's no better way to start the day than with an encouraging portion from God's Word. Each daily meditation is just a page long, but with each scripture presented in a fresh way stirs the heart to practical devotedness to the Lord. These devotionals are not intended to replace the reading of the Word, but to stimulate your thinking on Scripture, and, by God's grace, to help you apply the truth to your daily walk. (Scriptures taken from a variety of versions). 384 pages. Gospel Folio Press.

**Hardcover edition** Laminated dust jacket, leather-like hard cover with ribbon marker.
